MALACOIDES Per oz.

Brillancy—attractive crimson red, good habit and size	\$40.00
New Baby—large flowers, deep rose	40.00
New Baby Light Shade—could be replaced for New Baby, but slightly light shaded, otherwise almost identical to the type. This is uniformly fixed and could be sold with confidence	40.00
Snow Ball (new, our breed)—snow white with greenish yellow center. Flowers on each whorl are more numerous than on any other variety and they form an appearance of a flower ring or ball on rather short stems...	45.00

Riverside Light Shades—attractive rich apple blossom color, very uniform	40.00
Salmon Beauty—strong grower and floriferous, salmon rose	30.00
Wonder Baby—makes robust growth and floriferous, deep rose	40.00
Wonder Baby dark shade (our breed)—just a bit darker shaded than the original Wonder Baby. We believe this is far better than the original	45.00
Double White—almost 100% double flowering, robust grower, very floriferous	40.00
Rose Beauty (new, our breed)—growth similar to Wonder Baby. An exquisite flower of light rose pink with deep yellow eye. Exceptionally floriferous producing a great many graceful spikes	55.00
Rose Marie (new, our breed)—a distinct large bright rose double flower, composed of a mass of somewhat twisted and curled petals, borne on upright stems. Comes true to Doubleness and very uniform, strong grower	55.00
